

CORPORATE SPONSORSHIP

Odyssey's Background

Odyssey Chamber Music Series is a 501(c)(3) non-profit organization and we rely on the generous sponsorship from corporations and individuals in order to meet the costs of advertising, promotion, honorariums and administrative expenses associated with presenting musical events featuring small ensembles of musicians. We are also a local organization that encourages quality musicians from various backgrounds and ages to perform and, in so doing, enhance their and our audience's quality of life in Columbia.

Odyssey's objectives are to:

- Entertain our audiences with high quality classical, small ensemble music
- Provide a venue for outstanding musicians of all ages within Columbia, and
- Embrace, foster and celebrate the cultural quality of our town.

Odyssey's Commitment to Corporate Sponsorship

Odyssey is committed to including the Columbia's business community as an integral part of our musical programs. We believe that corporate philanthropy should be recognized in our print and promotional activities so that our audiences are aware of the generous support Odyssey receives from the Columbia business community. We welcome an open dialogue about ways to make financial support of Odyssey beneficial to our corporate sponsors.
